

CELEBRATE World Earth Day 2009

At Folly Oval/Estate,
Port Antonio, Portland

on Wednesday, 22 April 2009
Starting at 10 am

Under the international theme
“Green Initiative Campaign”

Join the Global Environment Facility – Integrating Watershed and Coastal Areas Management/
National Environment and Planning Agency Project (GEF-IWCAM/NEPA)
in collaboration with the Portland Environment Protection Association (PEPA)
and Stakeholders in a funfilled Expo on conservation
in Portland’s beautiful Drivers River Watershed

Activities on the day will include presentations, displays and performances
by community groups, service clubs, schools, associations and government agencies.

For further information or for participation please contact Miss Tracey Edwards,
GEF-IWCAM Community Animator at 472-7632 or Mr. S. Thompson at NEPA 456-8165.

Go Green – Make your Environment better!

Let’s make Drivers River Watershed the BEST in the Caribbean!
