

ENDEMIC ORCHIDS OF JAMAICA

FAMILY: ORCHIDACEAE

Acianthera corniculata
Anathallis jamaicensis
Anathallis jamaicensis
Arpophyllum jamaicense
Brassavola subulifolia
Brassia caudata x maculate
Broughtonia negrilensis
Broughtonia sanguinea
Broughtonia sanguinea x negrilensis
Bulbophyllum jamaicense
Dendrophylax barrettiae
Dendrophylax funalis
Encyclia angustifolia
Encyclia parviloba
Epidendrum nutans
Epidendrum tomlinsonianum
Epidendrum nutans x tomlinsonianum
Epidendrum verucosum var hansenii

Neocogniauxia monophylla
Platyhelys sagrana
Specklinia corniculata
Specklinia microphylla
Trichosalpinx trilobata

REIN ORCHIDS

Habenaria purdeii

VIOLET ORCHIDS

Ionopsis satyriodes x utricularioides

BABYBOOT ORCHIDS

Lepanthes adamsii

Lepanthes brownii

Lepanthes convexa

Lepanthes divaricata

Lepanthes elliptica

Lepanthes intermedia

Lepanthes interiorubra

Lepanthes lanceolata

Lepanthes loddigesiana

Lepanthes multiflora

Lepanthes obtusa

Lepanthes obtusipetala

Lepanthes ovalis

Lepanthes proctorii

Lepanthes pulchella

Lepanthes quadrata

Lepanthes rotundata

Lepanthes simplex

Lepanthes tridentata

Lepanthes tubufloria

Lepanthes unguicularis

Lepanthes vinacea

Lepanthes woodiana

Lepanthes wulschlaegelia

WIDELIP ORCHIDS

Liparis harrissii

TIGER ORCHIDS

Maxillariella prolifera

BONNET ORCHIDS

Pleurothallis delictula

Pleurothallis fasciola

Pleurothallis laxa

Pleurothallis monophylla

APPENDAGE ORCHIDS

Prosthechea spondiada

DANCING-LADY ORCHIDS

Tolumnia gauntlettii

Tolumnia x jamaicense

Tolumnia pulchella

Tolumnia tetrapetala

Tolumnia triquetra
